

# Send a Note to Your Sponsored Student!

Each January, Project Zawadi visits Nyamuswa village to do an annual site visit. This visit corresponds to the beginning of the new Tanzanian school year and Distribution Day events where students gather to receive their school uniforms, books and supplies. This year, Vicki, our Program Director along with a group of Rotarians, will be visiting the village for Distribution Day.

Our process has evolved over the years and we have come to the conclusion that equity in the gift receiving process is very important to our students. **To that end, we will be providing pre-made gift bags to all of our sponsored students.**

As a sponsor, we hope you will underwrite your student(s) gift bag and consider underwriting additional bags for students who do not have a one-to-one sponsor.

Vicki is happy to carry with her and hand deliver a personal letter and/or photos for your sponsored student(s). **We invite all sponsors to take advantage of this opportunity to send a personal note to compliment the pre-made gift bags.**

***Pre-made Gift Bags for all Project Zawadi students include: Coloring Book, 24 pack of Crayons, Dual Blade Barrel Pencil Sharpener, 3-Ring Pencil Pouch, Child Toothbrush, Toothbrush Cap, 3 oz Toothpaste, Comb, 3 oz Fresh Scent Soap, and 2 oz Hand/Body Lotion***

**STEP 1:** Decide if you would like to underwrite a pre-made gift bag for your student(s) (\$5 per gift bag) and/or send a personal letter.

**STEP 2:** Please mail your student letter and/or gift bag payment by **Monday, December 26** to Project Zawadi, 253 Duke Street, Saint Paul, MN 55102.

**STEP 3:** Spread the love. Feel free to purchase extra gift bags for students who do not have a one-to-one sponsor.
