Position: Administrative & Fundraising Support Volunteer

Project Zawadi (PZ) is a small 501(c)3 non-profit organization based in St. Paul doing educational work in Tanzania. Project Zawadi’s mission is to partner with communities, schools, and teachers to support quality education for Tanzanian children and youth. Services are delivered in Tanzania via a staff of 12 working in three program areas: Student Sponsorship, School Support (Model Schools), and Teacher Training (Tenda Teachers). Working from our home-base in the rural village community of Nyamuswa (located in the Mara region of northwestern Tanzania) Project Zawadi has a goal of significantly improving educational quality, safety, and access in our program areas. Visit PZ’s website for more information: projectzawadi.org.
